Halicraft Art Festival is a wonderful event held along the historic Main Street of Halifax, Virginia.

Visitors to Halicraft Art Festival will be able to peruse fine arts, craft vendors, food, and other regional art and tourism booths. The Farmer's Market will host their annual Spring Bazaar of crafters and product vendors. A great selection of food vendors will entice guests to stay and enjoy the art. Children will enjoy hands on art activities.

Halicraft is a partnership between the Town of Halifax and the Halifax Village Association. The HVA is a non-profit group who work to improve not only the town, but also the quality of life for the residents of Halifax County.

Application

ENTRY REQUIREMENTS

Both Artists and Craft Vendors are required to submit an application along with their fee.

DISPLAYS

Indoor display areas will be 12'x12' to provide adequate space. No tents are required for indoor spaces.

Parking Lot spaces will be 12x12 and we recommend the use of a tent secured by weights.

Vendors on the street must fit within the marked street parking spot. (20'x10') Booths will *face the sidewalk* as car traffic will slowly pass behind you on the street. It is highly recommended that you bring heavy weights to secure your tent. Also, we strongly encourage vendors to use a back wall panel (either a designated tent wall panel or tarp) to create a visual and safety barrier to the traffic passing behind you. Traffic is slowed by VDOT and the Town of Halifax Police for the event.

Vendors must provide their own tents, display stands, shelves, or tables.

Electricity is not available.

SECURITY

Each exhibitor is responsible for her/his property. The Halifax Village Association, and the Town of Halifax assume no responsibility for theft, loss or damage to any artwork, display equipment, or personal property. Artwork MUST be removed immediately following the end of the festival.
